## A BILL FOR

1 An Act providing for a feasibility study for restructuring  
2 state government based on function.  
3 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

1     Section 1. STATE DEPARTMENT FUNCTIONAL RESTRUCTURING  
2 STUDY. The department of management, in consultation with  
3 affected state agencies, shall conduct a study to assess the  
4 impact of reorganizing the various divisions, bureaus, and  
5 offices of state government based on the functions performed  
6 by each. The goal of the study is to assess the costs and  
7 benefits of reallocating state agencies based on function with  
8 the goal of better aligning state agencies based on function.  
9 The department shall submit a report to the general assembly  
10 by January 1, 2015, concerning the results of the study and  
11 a proposed functional reallocation plan. The report shall  
12 analyze any cost or legal issues relative to the proposed  
13 reallocation of state agencies and shall include proposed  
14 legislation for implementing the proposed plan.

15                                   EXPLANATION

16                   The inclusion of this explanation does not constitute agreement with  
17                   the explanation's substance by the members of the general assembly.

18     This bill requires the department of management to conduct  
19 a study to assess the impact of reorganizing and reallocating  
20 state agencies based on function. The bill requires the  
21 department of management to submit the results of the study and  
22 a proposed functional reallocation plan to the general assembly  
23 by January 1, 2015.
